

## RILEM UPDATE

The International Union of Laboratories and Experts in Construction Materials, Systems and Structures

### PHD TRAVEL GRANT FOR THE 77<sup>th</sup> RILEM ANNUAL WEEK

Young researchers living in India are eligible to apply for the RILEM PhD grant, a financial support to attend in person the 77<sup>th</sup> RILEM Annual Week taking place in Vancouver, Canada, in September 2023. Further information on this scheme can be found here: [www.rilemweek2023.com/phd-grant](http://www.rilemweek2023.com/phd-grant). The list of all eligible countries is available here: [www.rilem.net/membership](http://www.rilem.net/membership).

### RILEM webinars

In the following weeks, RILEM will offer three online events. All are free to attend live and available to watch on YouTube:

- 26 January 2023: Overview of Cement and Concrete Production in Latin America and the Caribbean with a Focus on the Goals of Reaching Carbon Neutrality [bit.ly/3hz9c9D](http://bit.ly/3hz9c9D).
- 31 January 2023: Carbonation of Concrete: Opportunities for Net Zero CO<sub>2</sub> by 2050 and Research Needs [bit.ly/3lyWQ36](http://bit.ly/3lyWQ36).
- 2 February 2023: Cement Additives and Concrete Admixtures – An Industrial Perspective [bit.ly/3PLB91n](http://bit.ly/3PLB91n).

### RILEM CO-SPONSORED EVENTS IN INDIA

Two upcoming RILEM co-sponsored events will take place in India in the following weeks:

- Young Researchers' Symposium (YRS) on Technologies for Low-Carbon and Lean Construction, on Thursday 31 March 2023; more details here: [bit.ly/3vOsr9r](http://bit.ly/3vOsr9r).
- 2<sup>nd</sup> International Workshop on Technologies for Low-Carbon and Lean Construction (TLC2), on 1-2 February 2023; more details here: [bit.ly/3WEbkml](http://bit.ly/3WEbkml).
