

RILEM UPDATE

The International Union of Laboratories and Experts in Construction Materials, Systems and Structures

79TH RILEM ANNUAL WEEK

It is with immense pleasure that RILEM announces the 79th RILEM Annual Week & International Conference on Advances in Engineering and Technology for Sustainable Development (ICONS), taking place on 24-29 August 2025, in Hanoi, Vietnam! Abstract submission is now open, and it will close on 30 January 2025. More information available here: bit.ly/46HyNJf.

INTERVIEW WITH PROF. RAVINDRA GETTU

The RILEM Annual Week in August this year has marked the end of Prof. Ravindra Gettu's mandate in the RILEM Presidency. In this interview bit.ly/3yndFvr, Prof. Gettu, IITM, reflects upon the association and his 18 years in RILEM.

RILEM CO-SPONSORED EVENTS

RILEM is happy to co-sponsor the following events in the South Asia regional area:

- CONSEC24 - 10th International Conference on Concrete Under Severe Conditions - Environment & Loading, on 25-27 September 2024, Chennai, India bit.ly/3N1pzOH.
- 4th R. N. Raikar Memorial International Conference and 'Ghosh-Mukharjee' International Symposium on 'Advances in Science & Technology of Concrete', on 12-14 December 2024, in Mumbai, India bit.ly/3SGi57v.
- 1st International Conference on Artificial Intelligence for Resilient Infrastructure and Sustainable Engineering Materials (AIRISE 2025), on 6-7 February 2025, in Jaipur, India bit.ly/3X0jSXX.

NEW PROCEEDING

RILEM is delighted to announce the publication of the proceedings of the "6th International Symposium on Pavement, Roadway, and Bridge Life Cycle Assessment 2024 - ISPRB LCA", edited by G. W. Flintsch, E. A. Amarh, J. Harvey, I. L. Al-Qadi, H. Ozer, D. Lo Presti. We remind you that RILEM members can access the digital version of the proceedings through their RILEM website account.
